IT'S POSSIBLE! ISSUE

FALL/WINTER 2018

Impossible things are happening every day!
~ Rodgers & Hammerstein's *Cinderella*

Saving Delaney & Other Wonderful Possibilities!

As we look back on 2018, we have many success stories, but none quite like Delaney. He was a shy mixed breed rescued from hoarding in August of 2017. In the early fall he was adopted, but ran away from his new owner the same day. Weeks later he surfaced several miles away in the neighborhoods of Hillsborough, Pebble Beach, and The Villages of Wellington. His plight inspired the neighbors to save this elusive creature as winter was approaching. Paofeng Tsai, the Fleming Family, Dale Woodall, and a host of other area residents along with HSPC stepped up. Food and temporary shelters were put out and plan after plan was made and executed for Delaney's rescue.

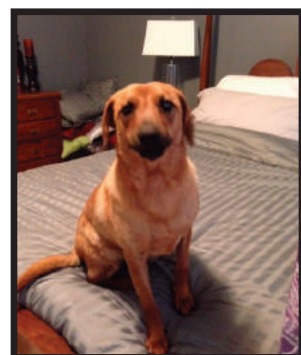

No matter what, Delaney always seemed to be running away until spring. He began to take an interest in Carla Smith's home. Carla was patient and allowed Delaney to come and go as he pleased on his terms until he finally decided he no longer wanted to go. He was home with his special person

at last! Maybe he was never running away, but running to the place he belonged. Maybe there was something more to this survivor who traveled miles through heavy traffic enduring the elements of winter and parasites of an Arkansas spring. Maybe Delaney's purpose was to unite neighbors on a mission of compassion. It's Possible!

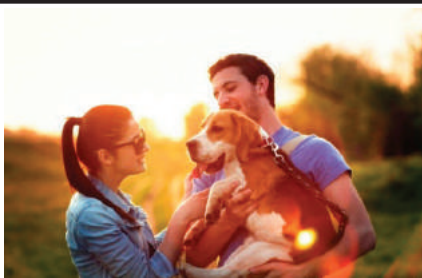

On behalf of the Board of Directors, we wish you all the possible wonders of the season!

Debbie Howell

The Power of Pets to Connect a Community

No doubt displaced pets like Delaney can unite neighbors and build unexpected connections. A pet crisis can bond neighbors and build camaraderie to help with future issues facing a neighborhood. In general pets help us form friendships by making beloved dogs and cats centerpieces of conversation. Studies show that pet ownership is a factor in developing connected, healthy neighborhoods. Bonuses to these connections include:

- Walking your dog at various times of the day allows you to connect with a variety of neighbors forming and maintaining friendships.
- Knowing the pet owners in your neighborhood opens the door to potential pet sitters nearby.
- Dog friendly neighborhoods create the need for establishing a neighborhood dog park for further interaction between your pets and your neighbors.
- Pets help protect the neighborhood by serving as deterrents to criminal activity. Likewise, dog walkers are also likely to keep a watchful eye out for suspicious behavior during their routine walks.

There are various ways to join or form neighborhood groups. **Nextdoor.com** is a private social network that connects over 185,000 neighborhoods. You can check their site to see if there is already an association in your neighborhood. **Neighborhoodlink.com** has excellent information on how to form groups. If you live in Arkansas and have lost or found a pet, please post on Arkansas Lost & Found Pet Network (**alfpetnetwork.com**) and Pawboost (**pawboost.com**). When given the chance, neighbors will help.

Holiday Gifts for Your Neighbors, Friends, and Family

Embrace the challenge of gift giving to those on your list that need nothing but to know that you thought of them. Here are ways to honor them through gifts that provide support for HSPC animals.

THE GIVING TREE →

Drop by the shelter to see our beautiful Giving Tree! It's decorated with lovely framed photographs of Santa with some of our special-needs shelter animals.

You can purchase one of these beautiful cards (suitable for mailing or to present as a gift) - and sponsor the featured animal - for a minimum donation of \$15.

MAILED HOLIDAY CARDS

Make a donation in honor of a person or pet, and we'll mail out a lovely holiday card acknowledging your kind gift. You can donate from our website or Facebook page, mail in a check, or call or drop by the shelter. Just provide the name of the honoree and the address to which we should mail the holiday card. Please be sure to specify ☐Holiday Card.☐

ONLINE HOLIDAY CARDS

Make a donation from our website, and you can choose from several holiday cards that will be sent electronically.

LEGACY SIDEWALK →

Purchase a memorial or honorarium brick for \$100 to be placed in our Legacy Sidewalk at the front of the HSPC shelter. We will have it engraved with up to 3 lines, and up to 18 characters per line. Order online, or call or come by the shelter.

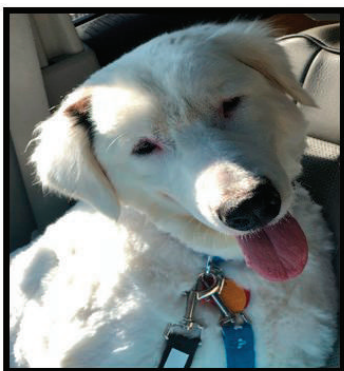

Partners in Rescue Changing Lives!

Just as no man is an island, no rescue should have to stand alone. We are fortunate to have formed many alliances with other rescues and shelters over the years. Here are some of those:

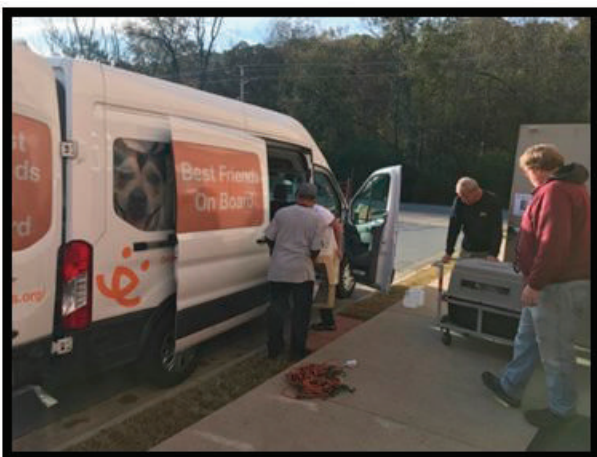

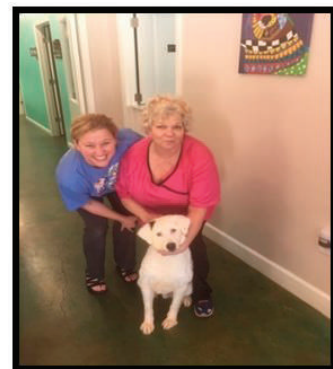

Paws in Prison is a special program that places shelter dogs within the prisons for approximately 8 weeks of 24/7 obedience training and socialization by ADC inmate handlers in preparation for the dogs' adoption through *CARE (Central Arkansas Rescue Effort for Animals)*. We were thrilled when our **Blanca, now Ellie**, was chosen for the program! However, none of us could predict the destiny of this once starving stray found on a country road. Not only is she a trained assistance dog, but she is also a loving companion to a young lady with special needs.

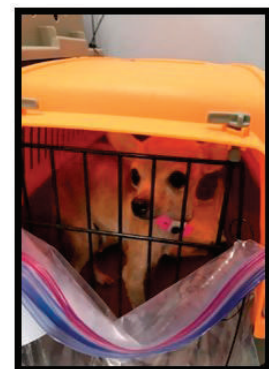

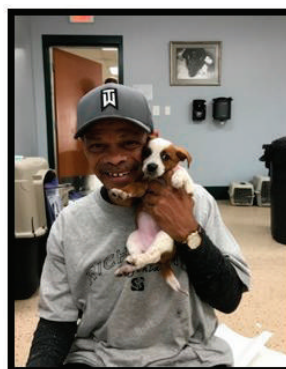

Rocky was deaf, visually impaired and passed over at our shelter for several months until we reached out to a national group called *Blind Dog Rescue Alliance*. Like us, they fell in love with his picture and circulated it throughout their foster groups. It wasn't long until a foster in New Jersey spotted him and decided he would fit in perfectly with her Aussie with the same issues.

After a kindness makeover performed by a groomer at Chenal Pet Palace, Rocky departed on an 18 leg personal vehicle transport from Little Rock to Sayreville, New Jersey! On his adventure of a lifetime, he met 18 admirers, posed for selfies, poured on the smooches and

became a celebrity on his two day journey. At the end of the trip he met his family! Foster? Doubt that! Rocky fit right in!

Sometimes it is our turn. We are proud to be a partner with *Best Friends Animal Society* in Utah widely known for their national rescue efforts. Recently they reached out to us for help. They were transporting 50 animals from a crowded shelter in Texas to a receiving shelter in Illinois, and they needed someplace in between to stop and rest for the night.

We were happy to "leave the lights on" and accommodate their precious passengers for a warm overnight stay at our shelter.

♥ Spotlight on Warm Hearts ♥ HSPC's League of Extraordinary Gentlemen, the Buzzcut Champs!

Since 2012, Bill Paddack and a number of his friends have successfully run what has come to be called the Buzzcut Challenge benefiting the Humane Society of Pulaski County.

Bill has put his hair on the line – well, actually, on the floor! – a couple of times, in 2012 and again this past summer. Along the way, other shavers have also included Jeff Johnson, Scott Harris, Steve Bullington, BJ Davis and Mark Zoeller. That first year raised \$1,000 in much-needed funds for the HSPC and the guys have successfully increased the amount each year.

Additionally, Charlotte and Ron Workman and Mary Alice Easterling have played a huge role in making these annual charity haircuts successful, both in terms of helping contact possible donors as well as providing generous gifts each year themselves in support of the animals.

Here are some photos from hair, um, gone bye-bye! Including one of Bill, after the deed was done in 2012, with his loyal best friend Gracie, who was a HSPC alum. Scott's cut was featured in the Arkansas Democrat-Gazette, and Steve had his hair shorn live on KATV, Channel 7. And for a minute or two, Jeff looked like he was auditioning for the TV show "Vikings" as he endured an initial Mohawk before the rest of his hair was shorn.

Bill says they're not sure just what or who will be the focus in 2019. If you've ever wanted to try a summer buzzcut and would be willing to contribute your hair to a barber shop in return for monetary support for the HSPC from your friends, family and co-workers (as well as a number of donors who support the cause each year), please let Bill know and he can give you more information. You can email him at wbp17@comcast.net.

The 27th Reigning Cats & Dogs Made Magic!

Inspired by the story of Cinderella, this year's theme, *It's Possible!* rang true! The enchanted evening began with a champagne toast to our sponsors conducted by our Master of Ceremonies, Renee Shapiro and Auctioneer, Camille Blackshire. The band *The Howlers* then serenaded our royal court of canine Princesses and a Prince as they walked the red carpet in glitzy formal wear. Guests enjoyed a royal spread provided by Next Level Events, over 260 great auction items, a wine raffle, live music and great fellowship with animal rescue lovers! Before the night was over, this generous crowd pledged and raised several thousand dollars for *The Cinderella Fund* to purchase needed medical equipment for HSPC! The money raised for this fund combined with the proceeds from the event dedicated to replenishing the emergency medical fund broke all other previous Reigning records. It really was possible!

With Warmest Thanks to our Sponsors!

In Memory of Kilgore

In the spring of 2014, eight puppies were found in a cemetery hairless from mange and unsocialized. All recovered from the neglect and were adopted except Kilgore. The wounds to his soul were deep and he trusted only a few including his foster mom, Dee Sadler. She faithfully cared for him for three years. In her words, "This pup was a tower of strength and unconditional love towards me. It was an honor to have him in my life." His life was cut short with a diagnosis of Lymphoma. We will miss our warrior with a big heart.

How we are funded: Our support comes from memberships, donations, fundraisers, and bequests. We receive no city, county or state funds - nor are we affiliated with any national animal organizations.

201 Day Planners Now Available!

The 201 Day Planners are available now for \$30 each at several Little Rock outlets, the HSPC shelter, and online at warmhearts.org. An outlet list can be found on our website. The calendars are filled with great photos of beloved Arkansas pets along with inspirational and fun quotes. They make a great holiday gift for your animal-loving family and friends.

Our cover dogs, Indy and Baby, were born at the HSPC shelter but separated when they were adopted. Learn how they were joyfully reunited on Page 76 of the calendar!

Supplies are limited. Don't miss out!
