THE CAREGIVERS ISSUE

SPRING/SUMMER 2019

Dear HSPC Friends,

Occasionally we have adopters who ask how to find an emotional support pet. Our answer is ***you rescue one and it will return the favor.*** The bond that forms between a caregiver and a pet, particularly one with special needs, is deep and permanent. Here are the stories of two caregivers.

Rebecca is no novice to rescuing HSPC animals with medical issues. In 2016 she was first drawn to **Apollo** who was deaf and visually impaired. After hearing his sad history on KATV's Day-break, she knew he had to be a part of her family. Last year she learned of **Bearsley**, a young happy lab that was diagnosed with aggressive malignant cancer. Again Rebecca stepped up and with her love and quality care, his life was extended. She still talks about the positive impact Bearsley (renamed Bear) left behind. Rebecca is now an in-shelter volunteer and while visiting

Rebecca with Sofia & Apollo

recently she met **Sofia** whose back legs had been broken and who was slowly learning to walk again after surgery. Sofia just needed a little physical therapy and of course, Rebecca, who said "It's beautiful to be a part of this phenomenal life."

Casper & Bernice

Casper was rescued from a terribly neglectful situation almost three years ago. His chance of survival was slim with mounting medical issues. His lack of trust for humans complicated his potential for adoption. Though his journey to physical and emotional recovery was long and bumpy it finally ended with **Bernice**, a caregiver.

Returned Favors (Continued from Page 1)

In addition to caring for the health concerns of her human family and two dogs (one with special needs), Bernice was looking for another dog to fill the void of a missing companion who had recently passed. She wanted an older dog with a difficult past who needed a loving home to live out the rest of his life. Now after a few months with Bernice and her family, it's clear that Casper was a perfect fit!

This issue is dedicated to the caregivers who take chances on rescues and also to the memories of my own first HSPC emotional support dogs, Mario & Luigi.

When The Caregiver Is No Longer There

Our pets depend on us for food, water, veterinary care, and love – among other things. Moreover, they depend on us for their very future if something happens to us. Who will take care of them if they outlive us? Every pet's situation is different, and there is no one-size-fits-all answer to that question. The important thing is to consider the possibility that one or more of our pets will outlive us – and to plan ahead for that possibility as best we can.

Many people make informal arrangements with family or friends. Although such arrangements ordinarily are not enforceable in court, trusted family and friends often do provide new homes for pets whose owners are no longer able to care for them. Individuals sometimes ask us how to assure, to the extent possible, that their pets are taken care of after their deaths. HSPC is not authorized to provide legal services to the public. However, we do encourage individuals who wish to make formal provisions for their pets to consult an attorney and explore the possibilities, especially in your will or estate plan.

The above is for informational purposes only and should not be considered legal advice on any particular matter or situation.

~ Morell Mullins, Professor Emeritus & HSPC Volunteer

Sponsors & Auction Items Needed...

in preparation for our 28th annual gala, *Reigning Cats and Dogs*, a live and silent auction. Mark your calendars for a grand-spankin' good time on **Saturday, November 9th!**

This year we are adding a little Western charm which promises to be full of fun as we head back to Next Level Events in the Historic Train Station in Little Rock. Our li'l bandits promise to steal your hearts and raise thousands of dollars to help care for injured, abandoned and abused dogs and cats in need of special medical care.

Sponsorships are available in a variety of levels of benefits. Give us a holler at debbie@warmhearts.org to find out how you can help. Mighty Thanks, Pardner!

HSPC Offers Free Foster Seminars

The HSPC shelter provides a temporary home to dozens of animals at a time. But for some, a private home is a more suitable space. These workshops address foster opportunities for orphaned kittens and puppies, nursing mamas and babies as well as special needs dogs and cats. HSPC Foster Coordinator, Troy Brazile, is always looking for new volunteers!

Fostering neonates is a rewarding opportunity to make a difference in a puppy or kitten's life, but does require a commitment of time. Newborn kittens and puppies require feeding every 3 hours (less often as they age). Less time is required for moms and babies that need a place outside of the shelter to crash. Or perhaps special needs or senior animal fostering may be a better fit. (Senior or special needs animals may be in the home for a significantly longer time.)

These workshops are offered at various times of the year and are announced on our website warmhearts.org as well as on Facebook.

For more information or to sign up to become a foster, please go to warmhearts.org/become-a-foster

The wish list for our foster program can be found at warmhearts.org/wish-list-foster

THANK YOU TO OUR CINDERELLA FUND DONORS!

Thanks to the **incredible generosity** of the donors listed below, over **\$40,000** was raised to purchase much-needed digital X-ray and ultrasound equipment. The equipment is already in use in the shelter's medical clinic and is making a very positive impact in our veterinary staff's ability to diagnose and treat injuries and illnesses. **We are extremely grateful for our community's support of special projects like the Cinderella Fund!**

♥♥ Spotlight on Warm Hearts ♥♥ HSPC Foster Program

This special salute goes to the volunteers who take their work home with them - **Fosters!**

Our heartfelt thanks for your sleepless nights, extra house cleaning duties, finding space in your homes and extra time in your lives, loving them as your own, and most of all... letting them go when it is time. Featured here from top left to right: Cathy, Cassidy, Deb, Valla, Amanda, Ann, Troy (HSPC Foster Coordinator), Jane, Sara, Matti, Dee, Monique, and Martha (dozens more not pictured). **THANK YOU** for extending our life-saving mission beyond the shelter!

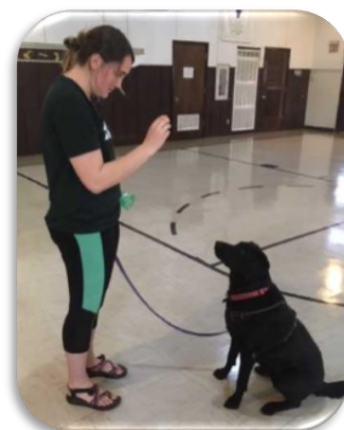

HSPC Equips New Dog Owners with Training Skills

One of the most common reasons dogs are returned to shelters is for behavioral concerns. In 2018 HSPC, under the direction of Board Member Troy Brazile, began training adoptable dogs with volunteers to pass the Canine Good Citizen exam - obedience tests designed by the American Kennel Club. These tests consist of ten different real-world scenarios that demonstrate solid obedience training and general reliability. In addition, we have started offering **Canine Good Citizen** classes for dogs and **Puppy 101** classes for puppies to anyone who has adopted a dog from HSPC or a city/county shelter!

Skills taught to the dogs in training include: (1) Walking Politely on a Loose Leash, (2) Sit, (3) Down, (4) Allow a Friendly Stranger to Pet the Dog, (5) Remain Still for Grooming, (6) Walk Politely Through a Crowd, (7) Stay in Place, (8) Come When Called, (9) Sit Politely Around Other Dogs, and (10) Remain Still with Distractions Around.

HUMANE SOCIETY of PULASKI COUNTY™

*Warm Hearts for Cold Noses*

14600 Colonel Glenn Road
Little Rock, AR 72210
501-227-6166

How we are funded: Our support comes from memberships, donations, fundraisers, and bequests. We receive no city, county or state funds - nor are we affiliated with any national animal organizations.

“Unless someone like you cares an awfully lot,
nothing’s going to get better, it’s not.”

~ Dr. Seuss

Sweet **Li'l Buddy**, a visually impaired 13-year-old dog, was severely beaten by an individual who has been charged with a misdemeanor for animal cruelty.

Though Li'l Buddy continues to suffer from PTSD, his HSPC foster mom is committed to loving his hurt away.
