Independent Auditors' Report

Board of Directors Humane Society of Pulaski County Little Rock, Arkansas

We have audited the accompanying statement of financial position of the Humane Society of Pulaski County (a non-profit organization), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 1: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

(a) <u>Organization and Funding</u>

The Humane Society of Pulaski County (the Society) was chartered in 1946 as a non-profit association for the purpose of providing temporary refuge for homeless, injured, abandoned and abused animals and to place such animals in new homes with responsible and caring owners. The Society is economically dependent upon contributions, including estate bequests, from the general public for the majority of its support and revenue.

(b) <u>Basis of Presentation</u>

The statements were prepared on the accrual basis in accordance with generally accepted accounting principles (GAAP) for nonprofit organizations included in the Financial Accounting Standards Codifications (FASB ASC), and the statements were prepared on the accrual basis and, accordingly, include items not resulting from an outlay or a receipt of cash.

(c) <u>Cash Equivalents</u>

The Humane Society of Pulaski County considers all short-term investments with maturities at acquisition of three months or less to be cash equivalents. Total cash of \$916,748 at December 31, 2018 consists of \$890,026 in unrestricted cash and \$26,722 restricted cash.

(d) <u>Investments</u>

As required by GAAP for nonprofit organizations, the Humane Society of Pulaski County carries investments in marketable securities with readily determinable fair values and all investments in debt securities consisting of corporate debentures and certificates of deposit at their fair values in the statement of financial position. Unrealized gains and losses are included as other changes in net assets in the accompanying statement of activities.

NOTE 1: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (CONTINUED)

(e) <u>Property, Equipment and Depreciation</u>

Property and equipment purchased by the Society for use in conducting program activities is stated at cost. Property and equipment are depreciated utilizing the straight-line method over the estimated useful lives of the assets as follows:

Building	25 years
Furniture, Fixtures and Equipment	5-7 years
Vehicles	5 years

Depreciation expense for the year ended December 31, 2018 amounted to \$76,673.

(f) <u>Functional Expenses</u>

The Society allocates its expenses on a functional basis among its various programs and supporting services. Expenses that can be identified with a specific program or supporting service are recorded directly according to their natural expenditure classification.

(g) <u>Income Taxes</u>

The Society is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law and is classified as other than a private foundation.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Society may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Society and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended December 31, 2018. All tax returns from 2015 forward are open and subject to examination.

NOTE 1: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (CONTINUED)

(h) <u>Donated Services</u>

Donated veterinarian services of \$6,839 have been reported as revenue and are included in total contributions and public support of \$380,029 in the accompanying financial statements. Volunteer services have not been reported as no objective basis is available to measure the value of such services. A substantial number of volunteers donated significant amounts of their time in the Society's program services and fund-raising activities.

(i) <u>Fair Value Measurements</u>

The Humane Society of Pulaski County determines the fair values of its financial assets and liabilities that are recognized or disclosed at fair value on a recurring basis based on a fair value hierarchy of three levels of inputs that may be used to measure fair value, which are as follows:

- Level 1 Quoted prices in active markets for identical assets. Level 1 assets include equity securities that are traded in an active exchange market, as well as certain U.S. Treasury securities that are highly liquid and are actively traded in over-thecounter markets.
- Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities include debt securities with quoted prices that are traded less frequently than exchangetraded instruments. This category generally includes U.S. government and agency mortgage-backed debt securities and corporate debt securities.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include items where the determination of fair value requires significant management judgment or estimation.

NOTE 1: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (CONTINUED)

(j) <u>Net Assets</u>

In accordance with ASU 2016-14, effective for fiscal years beginning after December 31, 2017, net assets are reported in two distinct classifications:

Net assets without donor restrictions Net assets with donor restrictions

Net assets with donor restrictions as of December 31, 2018 are further explained in Note 3.

(h) <u>Basis of Estimates</u>

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2: <u>INVESTMENTS</u>

Investments as of December 31, 2018 consist of marketable equity securities. These investments were originally booked at cost, or, if donated, at their fair value as of the date of donation. The following summarizes the relationship between the original basis and fair value of investments at December 31, 2018:

(Original	Fair	U	nrealized
	<u>Basis</u>	Value	<u>Ga</u>	uin (Loss)
\$	885,160	\$ 829,162	\$	(55,998)

The following schedule summarizes the investment return and its classification in the statement of activities for the year ended December 31, 2018.

Total Investment Return	\$	(42,806)

Income from the invested assets of the fund is reported as increases in net assets with donor restrictions. These restricted net assets are restricted to the Specified purpose of expanding the Humane Education Program.

NOTE 4: <u>CONCENTRATIONS</u>

Management monitors these balances.

NOTE 5: FAIR VALUE DISCLOSURES

As discussed in Note 1, the Society defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. For additional information, refer to Note 1, "Summary of Significant Accounting Policies."

NOTE 5: FAIR VALUE DISCLOSURES (CONTINUED)

The following table reflects assets that are measured and carried at fair value on a recurring basis as of December 31, 2018.
