

# HUMANE SOCIETY of PULASKI COUNTY™

## 2020 MEMBERSHIP APPEAL

Dear Humane Society Friend,

We invite you to **renew your membership or become a member** because of the difference we make together. To HSPC, rescuing an animal goes beyond tending to its physical needs. Some of those we save require a little more time to erase the sad and to invoke the happy spirit suppressed by circumstances.

In the summer of 2016, we worked a serious hoarding case where dogs had been abandoned and neglected for years. **George** was one of them. All George knew was neglect and fear. Conquering that was one of our primary goals. After two years of TLC from our staff and volunteers, hope happened. **Julia** came to our shelter looking for a companion. From the very beginning, she and George formed a bond and he was adopted at last. Together they completed the challenge and restored his trust. A few weeks ago they climbed to the top of Pinnacle Mountain where they shared a beautiful view of the world.

**Carol**, another very shy dog, showed up on our property last year. Though she also lacked trust, she caught the attention of a trainer from Service Dogs of Distinction, a group that trains service dogs for veterans with a variety of service related traumas. Despite her shyness, Carol exceeded expectations and was called a "definite gem" by her trainer just a few days into the program. She was matched with a soft spoken disabled veteran, and once again two lives were changed for good.

Your membership gives animals like **George** and **Carol** a chance by providing food, shelter, exceptional medical care, and a staff that goes the distance to heal their spirits during their stay with us, no matter how long it takes. Thank you for supporting the lives of dogs and cats, their humans, and the mission of HSPC!

Sincerely,  
*Debbie Howell*  
Board President
